*Belgid'Or*

BELGIAN  
CHOCOLATE TRADITION

**BELGID'OR IS AN ICONIC FLAGSHIP BRAND FOR CHOCOLATES HELD BY NATRA, EUROPEAN FOUNDED COMPANY LEADER IN THE CREATION OF CHOCOLATE AND COCOA PRODUCTS.**

**BRAND DNA:**

BELGIAN ORIGIN  
CHOCOLATIER  
TRADITION  
GLOBAL PRESENCE

**OUR COMMITMENT:**

GOLD-STANDARD  
QUALITY  
SUSTAINABILITY  
AFFORDABLE LUXURY

**OUR PROMISE:**

A PERFECT GIFT

Belgid'Or is a brand promise that is both complete and concise:

"BELGIAN CHOCOLATE TRADITION".

With 75 years of chocolate production experience and factories placed in Europe, Belgid'or chocolates are sold all over the world in more than 47 countries.

Belgium: 2 factories, one in Malle (1966) and another one in Bredene (1988).

France: Factory in Saint - Etienne (1906)

Spain: A factory in Oñati (1946) and another one in Quart de Poblet (1943).

All the cocoa we use for our products is UTZ certified and our factories meet the highest quality standards.

Belgid'Or chocolates are a first class product with a competitive price, taking advantage of the know-how acquired through decades of experience and the use of the chocolate industry's most advanced technologies and methods.

Belgid'Or is a wide range of selected products that meet the needs of different types of consumers. From the best-selling Classic range, the super-premium selection of the Unique range, and the treat yourself EGO range. Belgid'Or promises to be the ideal gift: for your family, for sharing, and for yourself!

One of the main commitments of Belgid'Or is to provide not just the **highest quality chocolate** products but also an utterly delightful experience. Our packs have been **thoughtfully designed**, and make a bona fide promise that the contents will satisfy the most demanding palates.

Our **chocolate production process is entirely controlled by us**, from the raw materials to the finished product.

Our factories meet the **highest standards of food safety**, with annual accreditation from world certification bodies such as IFS, BRC and ISO, receiving the very highest evaluations.

**HACCP, IFS, BRC.**
