

AUTHENTIC BELGIAN CHOCOLATE

CLASSIC CACAO

**Chocolate for everyone!**

King Monty reinvents the best of the best, and combines Belgian knowhow with creamy rice milk.

The result? Dairy-free and gluten-free chocolate with a generous taste. Our chocolate is 100% vegetable – the ultimate pleasure for vegans. At the very least as delicious, not to mention a lot healthier and kind to Mother Nature. Go on, help yourself to a bar. You know you want to.
